PROFESSIONAL SUMMARY

Video Editor with 7+ years of experience producing short-form social content, promotional videos, and motion content for clients across the GCC, Iraq, and Egypt. Skilled in Adobe Premiere Pro and After Effects, with hands-on experience in multi-camera live production and AI-assisted content creation. Proven track record editing high-volume content for large audiences, including multi-million-view creator channels.

EXPERIENCE

Video Editor

Oct 2025 – Sep 2026

Dalilk Academy — United Arab Emirates

- Edited high-quality short-form content (Reels & TikTok) for a well-known content creator in the GCC market with a multimillion-view audience, contributing to widely viewed and impactful content.
- Produced engaging educational videos aligned with brand guidelines, content objectives, and storytelling structures.
- Created minimal-style B-roll scenes, motion sequences, and visual elements using Adobe After Effects to enhance visual storytelling.
- Integrated AI-generated visuals and videos to support creative concepts and improve audience engagement.
- Designed AI-assisted images to visually communicate key concepts within video content.
- Applied on-screen text, visual emphasis, and motion elements to improve clarity, pacing, and audience retention.
- Handled camera setup and operation for multi-camera productions, including camera positioning, framing, gimbal operation, and live monitoring.
- Independently configured and operated a professional multi-camera production setup for live Zoom broadcasts, managing camera feeds, monitoring systems, and technical equipment integration.
- Managed the technical setup and operation of live production equipment to ensure smooth and reliable video production during live sessions.
- Utilized Adobe Premiere Pro and After Effects for professional video editing and motion graphics.
- Supported visual design tasks using Adobe Photoshop and Illustrator.

Video Editor

Sep 2024 – Sep 2025

Femalea — Iraq

- Produced and edited daily Instagram Reels for one year.
- Directed and executed 14 professional photo & video sessions for brand campaigns.
- Created a motion graphics video from scratch — including illustration, design, and animation.
- Edited and produced emotional storytelling videos tailored for customer engagement and brand loyalty.

Video Editor – Freelance

Apr 2024 – May 2024

Tamkeen Training Center — United Arab Emirates

- Produced engaging Instagram Reels for multiple trainers across different fields.
- Created promotional videos to market the center's services and courses.
- Edited advertising videos for a major conference in the UAE.
- Produced a long-form introductory video about the center, showcased at a prestigious Dubai conference in front of high-profile dignitaries.

Motion Graphic Designer

Jul 2023 – Dec 2023

P&M Advertising Agency — Egypt

- Created a large portfolio of Reels and motion graphics across diverse industries, including healthcare & hospitals, charity organizations, architectural finishing companies, and confectionery & dessert shops.
- Produced a full motion graphic video for the largest pediatric hospital in Damietta.

Motion Graphic Designer

Apr 2023 – Jun 2023

Artix Advertising Agency — Egypt

- Produced a limited number of property tracking videos for location mapping.
- Edited aerial footage captured by drone to enhance real estate presentations.

Motion Graphic Designer (Long-Term Freelancer)

Jan 2019 – Dec 2023

Top Marketing Advertising Agency — Egypt

- Produced numerous promotional motion graphic videos from scratch, including preparing illustrations and visual assets, animating and bringing graphics to life, and designing and mixing sound effects for impactful delivery.
